

**OASAS Approved 60 hour
Problem Gambling Treatment
Certification Training**

Chautauqua Alcoholism & Substance Abuse Council (CASAC) is considering offering another round of training for Treatment providers.

We would like to know how many people would be interested in the training.

We will provide the trainer and handouts. We plan to have 8 classroom training sessions at our Jamestown office. The time frame would be 8:00 am to 3:30 pm each day (52 hours total). The remaining 8 hours would be at your workplace - 4 hours applied to a treatment plan assignment and a 4 hour final test via the computer from your place of employment. (If preferred, we can make arrangements to hold the last 8 hours at the training site). The 8 classroom days would be scheduled on February 7, 21, 28 March 14, 21, 28 April 11, 18. The registration fee is \$495.00. Required text, "Pathological Gambling, Comorbidity and Treatment" by Nancy M. Petry is approximately \$15 (Amazon.com).
