Participants will gain an understanding of social issues, health effects, and addiction issues around the use of Electronic Nicotine Delivery Devices (ENDS). We will discuss the most commonly used ENDS products, new products being developed, and the effects of nicotine use on both youth and adults. This informational session will include a brief overview of the tobacco industry and where ENDS fit in to their product line, as well as current concerns regarding ENDS – including dual/multiple use, and current ENDS regulations in New York State.

**1 hour, Section 1 CPP/CPS, CASAC Renewal  
OASAS & PCB Approved**

\*Credentialed Alcohol & Substance Abuse Counselor (CASAC) credit hours.  
Credentialed Prevention Professional (CPP) credit hours. Credentialed Prevention Specialist (CPS) credit hours. This course work is recognized and approved by the Pennsylvania Certification Board through reciprocity.

**Registration Deadline: September 7, 2017**
