

**“Free”**

### **Underage Gambling Media Literacy Presentations**

Chautauqua Alcoholism & Substance Abuse Council (CASAC) has received a grant from the New York Council on Problem Gambling (NYCPG) to implement the YOU(th) Decide Project. We are currently offering free Underage Gambling Media Literacy Presentations. The presentation will focus on general underage gambling information, and educate students on Media Literacy. Media is one of the reasons why so many kids are gambling. Media is all around us. We receive messages through television, radio, billboards, print publications, the internet and other ways every day. The Media Literacy presentation will educate the students on how to analyze these advertisements, and to learn all of the facts about gambling before they decide.

CASAC is conducting Media Literacy throughout Chautauqua County for:

- Civic Groups and Social Organizations
- School and Youth Groups, Educators and PTA's
- Faith-Baised Youth Groups
- General Public Awareness
- Conferences/Health Fairs/Special Events
- Youth Awareness
- Business

To schedule a presentation, fax the following information to CASAC at (716)366-4624 or mail to:

Chautauqua Alcoholism & Substance Abuse Council, 324 Central Avenue, Suite 105, Dunkirk, NY 14048.
